Beloved of My Heart:

It is the joy of My Heart to present to you in this weekly Bulletin, excerpts of the Ascended Beings Words (full text in future Bridge and Hope Journals). I would like to thank you for your energy - each blessed one - wheresoever you held the Christmas Class which made it truly a Happy and God-Successful One:

Always lovingly and gratefully
Your Teacher and Friend,
THE MAHA CHOHAN

Beloved Mother Mary speaks: (December 29th, 1960)

"Hail, thou, the Annointed of the Lord, come into My Presence as I come into your Presence and bring to you that annointing from the Realms Above, which is a sustained grace, in, through and around your blessed lifestreams and becomes a part of the Heart of Mary, alive forever within you! Will you join Me permanently in that Realm where the Angels live and where We serve unceasingly in His Name?

Beloved, from whatsoever Star you have come, you are here for a purpose and that purpose is of your own choosing, even as My Purpose ages ago was of My choosing. When the way seems difficult, temporarily, remember that even before you took embodiment you chose the path you walk and on that path, even as on My Own, obstacles can be transmuted into Light until you have Victory in expression. Oh the glory of free will, children, the glory of taking upon yourself a physical vehicle and utilizing according to the purpose of God upon this Earth, the glory of feeling that annointment which comes from Above and abides in, through and around you constantly, as you are Heaven's friends and We are yours."

Beloved Jesus speaks: (December 30th, 1960)

"COME YE FORTH THIS DAY OF LIBERATION and render at least those services which are the powers of instantaneous healing and sustained harmony and the God-gifts of your Divine Nature.

Through the kindness of Almighty God, you have had intercession with the Divine Beings from the Realms of Light throughout this embodiment and embodiments which have gone before. You have been with Me on Earth, and you have been with Me between embodiments and you know that although "I AM" honored as being the Gentle Shepherd, I, too, have the fire and authority to command energy to ACT in a perfect manner! Such energy I request now!

What is the purpose of your being? To control the energy which is loaned to you by God, to qualify it and to send it forth through all of your lower vehicles and then to utilize it and project God-energy with the constructive quality required through the authority of Myself and your own "I AM" Presence to bring perfection where imperfection has been! I had told the disciples centuries ago 'whatsoever ye shall ask in My Name, it shall be done unto you.' I repeat that again, again and again!"

Beloved Archangel Gabriel speaks: (December 31, 1960)

"Now We come to the end of the Year of 1960, We enter into the Year of 1961. Blessed and beloved ones, friends of My Heart, let Us see how much the actual Resurrecting Flame Which is Ours to give and, yours to receive, shall do for you and for this blessed Planet Earth! I had hoped, as The Karmic Board met last evening, and as Angels, elementals, human-kind and Divine Beings gathered together and the mighty Hosannas were sung, may of the petitions already were presented, that through the presentation of those petitions and the tremendous pressure of energy upon The Karmic Board, that Helios and Vesta would give Us the sign so that I might announce the straightening of the axis of this Earth, but that time has not yet come! It will, as you perservere and cause distress to no man!

Beloved ones-each and everyone of you have a part of that responsibility of straightening the axis of this planet Earth by straightening the axis of your own spinal column and sustaining Our feeling of Hope and THE FULL POWER OF GOD'S ANGELIC KINGDOM , GOD'S DIVINE DIRECTORS (CHOHANS) OF THE SEVEN RAYS, Who have invested so much in the peoples of this Earth. Then those peoples, in turn, may relieve an Earth of an over-population and shall resuscitate the beauty and perfection of the Earth as She was as first created by Helios and Vesta and held in the bosom of the Planetary Silent Watcher, Immaculata, and drawn forth into physical manifestation by the Seven Elohim as a beautiful and sweet planet for the peoples belonging to Her evolutions where Angels and mankind are walking and talking together, no veil of human creation between the evolutions at all."

Beloved Ascended Master Saint Germain speaks: (December 31, 1960)

"Centuries ago, I was very interested in the presentation of The Law through the theatre. Right! But when We finished one play, the individual did not have to remain in the same part forever. We ran several of the Shakespearean plays in one season. It is the same with the student body. You do not have to every year since you were born until your release from human embodiment remain the same actor or in the same play. Now We want you, unmasked, to be the true power of that Holy Divine Being you were intended to be long ages ago and which you have forgotten temporarily. The sea of forgetfulness seems only to apply to that which you wish to push into the subconscious mind, where it remains a festering sore in the ethers. In other words, you must learn how to LET GO - COMPLETELY AND ENTIRELY - of any imperfect part which you have previously played upon the Earth stage and play now that Divine Part in the New Golden Age when you shall walk and talk as sons and daughters of Freedom and when you are the full expression of that Freedom in, through and around you , and wherever you move Freedom is; whatever your attention is upon Freedom is and whatever you feel is Freedom's expression; whatever you speak is the word of Freedom - AND THERE I SHALL BE in the midst of you, constantly giving you feeling of true God Freedom which is Mine, and which I live to impart to you as a permanent part of your being."

Beloved Ascended Master El Morya speaks: (January 1, 1961)

"Persuasion of the Gods may come and often does in a gentle manner through the promptings of the heart but persuasion from My Being comes in that strong vibration of energy which does convince you PERMANENTLY that there is a God in the universe and a Divine Plan for this Planet Earth and for Her evolutions. AND IT IS TIME NOW THAT THIS PLAN BE FULFILLED!

Visualizing and looking upon the replica of the Planet Earth, as created by Helios and Vesta before imperfection was imposed on It, at the Tetons, you all were amazed at Its beauty and perfection. At Inner Levels again many took vows standing before The Karmic Board, Beloved Portia as the Spokeswoman. Those vows are activities that should be fulfilled in a sixmonth period. Some have questioned why We have said on several occasions "all Petitions have been granted." Let Me make this clear to you now, once and for all, so that you do not wonder if a dispensation is granted it does now always manifest. You can be granted a license to operate a business but if you never raise your hand to do anything about it your license runs out and your business is not manifest and expressed. Right! This is exactly the same thing in regard to the activities of the petitions presented to The Karmic Board. Although a petition is granted, whether to your own dear selves or One of the Hierarchs of any Ascended Master Focus that give Them, or you, or any group of people wheresoever they may be, opportunity and cooperation with other individuals, Ascended and unascended, to follow through to victorious accomplishment on your Cosmic License or to remain with the License in your hand and allow the precious energies to be dissipated before manifestation occurs.

WE ARE THROUGH WITH THAT! I stand as One, as I did last evening (December 31, 1960) and as I do again today, before the Throne of Heaven Itself and before the Members of The Karmic Board on behalf of the Ascended Master Saint Germain and there shall be a place upon this Earth during the Year of 1961 for the Incoming Seventh Root Race and Its Mighty Manu and Avatar."
